

## **IEEE Nuclear and Plasma Sciences Society**

### **Nomination for the Radiation Instrumentation Outstanding Achievement Award**

DEADLINE: Nominations must be received by **June 1, 2003**

#### DESCRIPTION:

This award is given to an individual in recognition of outstanding contributions to the field of radiation instrumentation. The prize, consisting of \$2,000 and a plaque, is awarded in odd-numbered years at the IEEE Nuclear Science Symposium.

In selecting the recipient of this award, primary consideration will be given to nominees who have made original and significant innovations in the field of radiation instrumentation. Other factors include a nominee's overall research contribution and his/her influence on radiation instrumentation through education.

Candidates for the award must be members in good standing of IEEE and NPSS at the time of nomination.

#### INSTRUCTIONS:

Nomination packets should be submitted to:
